Dear Saul:

I wanted to personally thank you for the valuable service that **Rent Recovery Solutions** is providing to Huntington Management. It is exciting to know that we have a solid partner in the collection industry who is looking out for our best interests. Based on my experience thus far, I would recommend anyone in our industry to use **Rent Recovery Solutions** as their collection recovery specialist.

Before we were introduced to **Rent Recovery Solutions**, we had experienced very low recapture rates on debts owed to us. We were skeptical of **Rent Recovery Solutions** ability to successful go after and more importantly collect on our bad debt accounts. You have proven us wrong and changed our opinion on the importance of forming a strong alliance with our collection account provider. In the end, I can best sum up this relationship as a win-win for both parties.

Huntington Management tips their hat to **Rent Recovery Solutions** for helping us to improve our bottom line!

Sincerely,

Tice Vieira, NALP, CAM
